

## 2016-2017 Student Transportation Information

### Has my child's bus route changed?

Some adjustments to bus routes have been made over the summer to accommodate the grade level changes at our schools. **Dr. Roy Wilson Learning Centre** and **Alexandra Middle School** are adding grade 9 students to their schools, while **Medicine Hat High School** will now welcome students in grades 10-12. Regardless of your school, bus stop locations and times may have been adjusted over the summer. Please consult [www.sd76.ab.ca/Bus Route Maps.php](http://www.sd76.ab.ca/Bus Route Maps.php) for your updated route map. Alternatively you can call Southland Transportation at **403.526.4655** for your bus route information.

### Is my child eligible for transportation?

The Board may provide transportation service for resident students in the following categories:

1. Students within the school district boundaries who reside over 2.4km from their designated school.
2. Grades K-3 students residing beyond 1.2km from their designated school.

### How do I find out what my child's designated school is?

The school district utilizes attendance boundaries to determine what school a student is designated to attend. For additional information regarding school boundaries, please visit [www.sd76.ab.ca/Transportation.php](http://www.sd76.ab.ca/Transportation.php), call the school in your area, or call the School District office at **403.528.6572**.

### Where can I find my child's bus route?

Parents are encouraged to visit [www.sd76.ab.ca/Transportation.php](http://www.sd76.ab.ca/Transportation.php) for updated route maps.

For additional information regarding bus routes, please call Southland Transportation at **403.526.4655**.

For additional assistance you can contact the school district at **403.528. 6572**.

### Is transportation available for students with special needs?

The school district may provide transportation for the students with special needs when the need is warranted. Please contact the school board office at **403.528.6572** to apply for special transportation.

### Is this my bus?

Each school bus will feature clearly marked signage displaying the route number and school destination to help you, or your child, get to school with ease. Children attending elementary school will also have a unique animal on their bus sign to help them identify their bus. The three signs pictured above are examples of what to look for. These signs are displayed in the second window back from the door.
