- Either parent's first language learned and still understood is French, **or**
- Either parent has received their primary school instruction in Canada, in French, **or**
- One or more of the parent's children has received or is receiving primary or secondary instruction in French in Canada

Does your child have Francophone eligibility? ____ If **Yes**, and you wish to exercise your right, please contact the Conseil Scolaire Du Sud de l'Alberta at 403-686-6998. ADMISSION REQUIREMENTS

A pre-requisite mark of 65% is required for 10-20-30 academic-level courses or a mark of no less than 40% to move from an academic-level course to a more general course at the next level.

RECOMMENDATIONS/EXPECTATIONS

Please be aware that the Alberta curriculum requirements are the same for Summer School as they are in the regular school year. This compressed time frame can be very challenging. Expect a heavy workload with daily homework and assignments with less time than normally available to complete them. A class period of 3 hours is equivalent to approximately 1 week of regular classes and you are expected to attend tutorials.

Due to the unusual nature of our compressed program the following rules apply:

1. Please do not register for Summer School if you know you must miss some classes.
2. If students miss more than **three** classes, they will be required to withdraw from the program.
3. If students miss due to illness, they must contact the teacher immediately and arrange to catch up outside of class time.
4. Due to the abbreviated nature of the course, provision may not be made for missed classes, or for the late start or early release of students. You are expected to attend every class as scheduled and to be present to write the final examination. Final examinations cannot be rescheduled.
5. Students who require exam writing provisions will probably find one class enough work, considering the compressed time frame involved. If you require provisions, **YOU MUST** make an appointment to see the Summer School Principal before registering. Not all provisions can be accommodated, and most are available for Diploma Exams only.
6. Students are to leave the school when their classes or tutorials are over. No loitering in any area of the school.
